**Parrot Key Resort
Key West, FL**

Landscape Architecture Firm: The Singh Company

Owner: The Singh Company

Project Landscape Architect: [Elizabeth Newland](#)

Project Category: [Resort & Entertainment](#)

Project Description: Paying homage to the character of the architecture, landscape, and streetscapes of historic Key West residential compounds the new Parrot Key Resort includes seventy-four townhomes surrounding a tropical garden courtyard with **four intimate swimming pools, spas and indoor water walls**, lush native landscaping, world-class sculptures and private beaches overlooking the mangroves and beautiful Florida Bay. Located in one of the busiest areas of Key West, guests leave their cars behind and stroll down shaded lanes to their vacation home.
